

# The Multiage Learning Network 2012 Professional Development Series

Join the staff from IDEAL Charter School  
for a series of after school Polycom presentations  
on the many facets of Multiage Learning.

All presentations are after school from 4 pm to 5 pm.  
See page 2 for a complete description of all sessions.

Date	Topic
February 29	Curriculum in the Multiage Classroom
March 21	Community and Inclusion Within the Multiage Environment
April 25	Assessment by Product, Performance and Demonstration
May 23	Assessment by Product, Performance and Demonstration (repeat)
May 9	Time, Effort and Collaboration: Teachers Working Together in the Multiage Environment

### **Register:**

Please register by sending an email to Pam Gustafson ([gustafpj@sbcglobal.net](mailto:gustafpj@sbcglobal.net)) with your school name, grade level, and full names and email addresses of all participants, and the name of the school where you will be attending via Polycom.

### **Connect:**

All presentations will be broadcast by Polycom.

- If your school doesn't have a Polycom system, you can join a school that has one. Please see pages 3-4 for a complete listing.
- If your school does have a Polycom system and is hosting participants, please email your Polycom IP address to Pam Gustafson ([gustafpj@sbcglobal.net](mailto:gustafpj@sbcglobal.net)) with your registration information.

## **Complete Descriptions of Multiage Learning Sessions:**

**February 29<sup>th</sup>, 4 pm to 5 pm**

### **Curriculum in the Multi-age Classroom**

Avoid the pitfalls of teaching two different grade level curriculums. Using the common-core standards develop a three-year rotation to teach science and social studies themes. Teachers at IDEAL Charter School will show you how to teach content areas to a two or three year range of grade levels within one classroom.

**March 21<sup>st</sup>, 4 pm to 5 pm**

### **Community & Inclusion Within the Multi-age Environment**

How do you make a diverse group of learners fit within a learning environment? Teachers at IDEAL Charter School will show you how we create a “Learning Community” for all students.

**April 25, 4 pm to 5 pm OR May 23, 4 pm to 5 pm**

***(Note: This is one topic repeated on two dates)***

### **Assessment by Product, Performance and Demonstration**

After the required standardized tests are over what are some other ways to assess your students on their mastery of common-core standards?

**May 9, 4 pm to 5 pm**

### **Time, Effort and Collaboration: Teachers working together in a Multi-age Environment**

IDEAL Charter School teachers will explain their structure for collaborating together to create a successful multi-age learning environment.
